## Auction Process Policy

All Charity Storage participants register their facilities on [StorageTreasures.com](http://StorageTreasures.com) and **Opt-In** to the **Charity Storage Giving Back Program** at the end of the process. This notifies Charity Storage of the enrollment, prompting the staff to contact the facility with more detailed information. It also **automatically lists** the facility as a **Charitable Donation Drop-Off Point** on the **Charity Storage website**.

Enrolling on StorageTreasures **does not** obligate the facility to list Charity Storage auctions on StorageTreasures.com. **Facilities may conduct Charity Storage auctions onsite, or on any online auction platform they choose.**
